ICMR International Fellowship Programme for Biomedical Scientists

Indian Council of Medical Research (ICMR), India's premier national agency for biomedical research offers an International Fellowship Programme for biomedical scientists from developing countries for short-term training (1-6 months) at leading Indian research institutes in areas such as diagnostics, epidemiology, surveillance, genomics immunology, and other biomedical research areas.

2. The detailed information about the fellowship, application form, and eligibility conditions is available on the official website, and the link is provided below : <https://www.icmr.gov.in/icmr-international-fellowship-programme-for-biomedical-scientists-from-developing-countries>.

3. Interested and eligible candidates are requested to apply for the above-mentioned International Fellowship Programme. The application form, duly filled in the prescribed format and recommended by the employer or Head of the Institute, should be submitted to the Embassy of India throughout the year at the following address for onward transmission to the concerned authorities of the ICMR:

Second Secretary (Edu)/HoC
Embassy of India,
2190 Paraiso Street,
Dasmarinas Village,
Makati, Metro Manila.

4. The selected candidates will be offered return economy airfare and a sustenance allowance (for accommodation, food and local transport).
